EASTER - SPECIAL EDITION!

EASTER TREE!

Earlier this year Beryl gave her Easter Tree decorations to Alison in readiness for the April Sunday Club session, which as we now know, didn't take place. So, Alison and I hung them in our pear tree and we now share this Easter image with you!

Beverley kindly bought some Fair Trade Easter eggs, each complete with a small Easter booklet. She has distributed them to our regular Sunday Club children.

THANK YOU BERYL & BEVERLEY!

ARE you missing being able to meet friends and members of St Andrew with St Alban on Sundays? If you have internet access then why not try an online service this Easter. Visit the home page of our website where you will find links to Revd Ian's video recorded services as well as those available from the Church of England website.

SEE a photo of the Super Pink Moon rising from the East over Mottingham at 7pm on Tuesday 7 April. Being isolated at home isn't quite so bad when you can see a natural show as good as this! Apparently, the moon is not actually pink. The term derives from one of the North American flowers to bloom first in Spring - the wild Ground Phlox, according to the Maine Farmer's Almanac. Now you know!

GRATEFUL THANKS TO THE NHS!

RAY is well connected with the world of film and photography and offers this topical Easter image for your amusement!

The Last Word - for now!

Jane has suggested I include a photo of the 'congregation' showing appreciation for the NHS in the next issue, so send me your individual photos and I'll produce a montage to represent our united congregation. Please contact:
